JOE DIAMOND

(Arrogant & sarcastic)

T-Bopper! Wuz up? I heard about your little "*training camp*" from B'boy Snot. Nice website... So I was wondering if you're down to bring your group to the Key Club in Hollywood. I'm promoting a hot night there. You may have seen the posters. If I remember correctly, the old group Chain Reaction used to be hot, Ha Ha Ha. But now... it looks to me... Maybe not? Thought so! Well... you take it slow T-Bopper. Ha, ha, ha.
